MAYOR'S MESSAGE

The City Government of Trece Martires proudly presents the Citizen's Charter 2026, reaffirming our strong commitment to transparent, accountable, and efficient delivery of public services for every Treceño.

This updated Citizen's Charter is fully aligned with Republic Act No. 11032, otherwise known as the Ease of Doing Business and Efficient Government Service Delivery Act of 2018. It likewise conforms with Presidential Proclamation No. 1267 s. 2021, ARTA Advisory No. 001 s. 2021, and ARTA Memorandum Circular No. 2021-09 s. 2021, which institutionalize the "Whole-of-Government Reengineering Manual" as a framework for transforming government processes toward efficiency, integrity, and citizen-centered governance.

In full compliance with the mandates of the Ease of Doing Business law and the standards set by the Anti-Red Tape Authority, the City Government of Trece Martires has implemented the **Electronic Business One Stop Shop (eBOSS)**. This digital platform streamlines and automates the business permitting and licensing system, enabling the issuance of tax bills, orders of payment, permits, licenses, and clearances, and allowing applications and payments to be processed electronically. Through eBOSS, we reduce processing time, eliminate unnecessary procedures, and promote ease and convenience in doing business in our city.

Through the implementation of eBOSS and other process improvements, we reaffirm our commitment to making Trece Martires a business-friendly and investment-ready city. By leveraging technology and reengineering our systems, we create an environment that fosters economic growth, encourages entrepreneurship, and supports sustainable local development.

The Citizen's Charter 2026 serves not only as a compliance document but as a covenant between the City Government and the people we serve. It clearly outlines the requirements, step-by-step procedures, processing times, responsible offices, and applicable fees for every frontline service. By providing this information in a clear and accessible manner, we empower our constituents with knowledge of their rights and expectations when transacting with the City Government.

As a growing and progressive component city of the Province of Cavite, Trece Martires continues to embrace innovation and institutional reforms that promote efficiency, integrity, and accountability. We recognize that public trust is built through consistent delivery of quality services, and we are determined to uphold the highest standards of professionalism in all our offices.

Thus, I enjoin all department heads, officials, and employees of the City Government to faithfully observe the service standards and commitments set forth in this Charter. Let us work together to ensure that every transaction is handled promptly, fairly, and with utmost respect for our constituents.

To our fellow Treceños, partners, and stakeholders, we assure you that the City Government remains dedicated to continuous improvement and to building a local government that truly embodies ease of doing business, transparency, and citizen-centered governance.

Together, let us move forward toward a more efficient, innovative, and service-oriented Trece Martires City.

Mabuhay ang mga Treceño! Be blessed, be a blessing!

GEMMA BUENDIA LUBIGAN
City Mayor

INTRODUCTION

The officials and employees of the Trece Martires City Local Government Unit respectfully present this UPDATED CITIZEN'S CHARTER 2026 to the people of Trece Martires, as well as to our stakeholders, beneficiaries, partner government offices and agencies, and the transacting public. This document is offered as a guide to the services provided by the City Government and as a commitment to uphold efficiency, transparency, and accountability in public service.

The Citizens' Charter in brief

The Citizen's Charter 2026 reflects the City Government of Trece Martires' continuing efforts to improve the quality and efficiency of government services and to make public transactions more convenient and accessible. Through the streamlining of processes and the adoption of service standards, the Charter supports the goal of making business and non-business transactions easier and more responsive to the needs of the community.

This updated Charter also takes into account the challenges brought about by rapid urban development, inflationary pressures, and the increasing demand for basic social services, alongside the steady growth of the City's population. In response, the City Government remains committed to delivering timely, effective, and people-centered services.

This Citizens' Charter will provide information on:

1. Frontline Services offered and the recipient of such services
2. Step by step procedure to obtain a particular service
3. The officer or employee responsible for each step
4. The maximum time to conclude the process
5. Documents to be presented by the client, with clear indication of the relevancy of said document
6. The amount of fees, if necessary
7. Procedure for filing complaints in relation to requests and applications including the names and contract details of the officials/channel to approach for redress
8. Allowable period for extension due to unusual circumstances, i.e. unforeseen events beyond the control of concerned LGU department or office
9. Feedback mechanisms, contact numbers to call and/or persons to approach for recommendations, inquiries, suggestions, as well as complaints

How this Citizens' Charter came to be

RA 9485 or the Anti-Red Tape Act of 2007 aims to promote transparency and accountability in government with regard to the manner of transacting with the public by requiring each agency to simplify frontline service procedures formulates service standards to observe in every transaction and make known these standards to the client. This is stirred up by the passage of Republic Act No. 11032, otherwise known as the "Ease of Doing Business. Trece Martires City Local Government Unit commits to strengthen its policies towards prevention of graft and corruption and advocate simplified procedures to reduce red tape and enable a more vibrant business environment in the city

Feedback and Complaint Mechanisms

All LGU officers and employees must at all times during office hours wear official identification card. A Public Assistance/Help Desk must be manned by the officer knowledgeable on the frontline services offered and must be available for consultation and advices. The desk shall

be attended to all times even during office breaks. In this regard, the LGU shall adopt rotation system of personnel, sliding flexi-time, reliever system especially peak times of transaction, or providing skeletal personnel during lunch and snack time to adequately attend to all clients.

If and when clients disagree with the action of the officer or frontline service provider the requesting party may opt to file complaints against the office or the LGU through the feedback and complaint mechanisms indicated in this Citizens' Charter.

These can be in the form of hotline numbers, accomplished Complaint Form, electronic messages or other mechanisms by which clients can adequately express their complaints, suggestions or comments.

Trece Martires City Local Government Unit assures our valued clients, our citizenry, that officers and frontline service provider's commit to deliver government service with professionalism, transparency and accountability.

QR codes were also installed in every office for easy access of the services provided by respective offices as well as Client Satisfaction Form written in English and Tagalog for Client Feedback to a better service delivery.

Moreover, in every office that offers frontline services, a television was installed outside the office showing their respective Citizens' Charter. This initiative promotes greater awareness of the services delivered by the City Government and allows clients to be properly guided even before entering the office, thereby enhancing efficiency, minimizing inquiries and misunderstandings, and ensuring a more orderly and client-focused service environment.

Mandate

The mandates of the City Government of Trece Martires, as a Local Government Unit, emanate from the provisions of Republic Act No. 7160 otherwise known as "The Local Government Code of 1991". Pursuant to the General Welfare provision of the Code, the LGU is mandated to ensure and support, among other things, the following:

1. Preservation and enrichment of culture;
2. Promotion of health and safety;
3. Enhancement of the right of the people to a balanced ecology;
4. Development of appropriate and self-reliant scientific and technological capabilities;
5. Improvement of public moral;
6. Enhancement of economic prosperity and social justice;
7. Promotion of full employment among the residents;
